**RSVP: 301.793.1386**  
**[CBrown@capitolheightsmd.com](mailto:CBrown@capitolheightsmd.com)**

The Education Committee will create volunteering groups to work in connection with Citizens, Community and Council to improve community relationships through Education.

These groups will assist with projects, meetings, events and TV Shows. The TV Shows will create community unity and allow residents to transform & create a world of imagination, enrichment, knowledge and history through movement, speech & Educational acting presentations.

All generations will be able to partake in TV produced educational programs discovering old & new historical facts, learning about Town locals, becoming TV Hosts & local celebrities, creating fun history reenactments and bonding through plain ole F-U-N at Town events.
